Biography

Pavel Calda is perinatologist at Apolinarska Street, Department of Obstetrics and Gynecology, and professor at First Faculty of Medicine of Charles University in Prague. He is head of the Centre of Fetal Medicine. He works also in the field of Clinical Genetics. Professor Calda received his medical degree at Charles University in Prague where he completed his residency in obstetrics and gynecology, and fellowship in Maternal-Fetal Medicine.

Professor Calda founded the Czech Ultrasound society in Ob&Gyn and the Czech Fetal medicine society. He is member of the International Advisory Board - American Journal of Obstetrics and Gynecology and Editor in chief of the Actual Gynecology and Obstetrics Journal. He serves as a member of the Board of Directors of the European society of gynecology and was in several other board positions in the past (ISUOG, Czech obgyn societies). He obtained ISUOG Service Award for contribution to the development of the society, Pawlik's (Cilag Foundation) Award and Sonek's Award for ultrasound in obstetrics and gynecology.

Professor Calda published more than 90 scientific papers, wrote several books and chapters.
